**Dear Steve,**

This is to let you know that our bed has arrived and is now in service with us.

We would like you to know that **we are delighted with the bed and with the service we have received from you and your company.**

The massager is amazing (I have difficulty in wiping the perpetual smile off my wife's face!!).

Also we were particularly grateful for the way that your firm packed the bed for transportation to Tamworth. It arrived in first class condition.

**We would therefore be very pleased to recommend your firm to any of our friends and acquaintances.**

Yours Sincerely,

**Warren & Helen Short**

Tamworth, N.S.W.

**Just a quick email to say how happy we are with the mattress and the service.**

We received the bed the next day in Melbourne! Our local bedding retailer quoted us 10 days delivery!

**We also saved over \$800** on their "specials price."

I hope my next internet purchase goes as well as this, and I will be recommending you to our family and friends.

We've now slept on it for a week and I'll never go back to inner-spring again.

Feel free to pass on this email for a testimonial if you wish.

Thanks again,

**Xavier**

Maidstone, Melbourne.
